YOGA FOR CHILDREN

Yoga asanas for kids is an excellent way to improve our child's physical and mental health. The best part about yoga is that your little one doesn't have to have any special skills or any prior knowledge to practice! But, once our kids start practicing these carefully handpicked yoga poses, yoga will be a way of life for them. Here is a guide to a few handpicked simple yoga poses for kids to begin with.

Time for fun with music: Rhymes play an important role in the growth and development of children. It helps them to develop auditory skills, modulate voice and speech development. So to enhance these skills and have fun with music ,make your child listen to rhymes and learn at least two rhymes. Links for your reference is given below:
